

A white archway entrance to Moran State Park. The archway is a thick, white, curved structure that spans across a road. The words "MORAN STATE PARK" are written in black, uppercase letters along the top curve of the arch. Two black stars are positioned on either side of the text. In the foreground, the top of a white car is visible on the left side. The background consists of a dense forest of tall, thin trees, likely birches, with green foliage. The scene is brightly lit, suggesting a sunny day.
